## INSPECTION OF BRIGADE HEADQUARTERS RECRUITING, RETENTION, OPERATIONS, INCENTIVES, MARKETING CHECKLIST

1. General Administration. Brigade personnel will show				
proficiency to access the following sites.	Yes	No	NA	Remarks:
a) Is the ROO proficient in accessing and navigating the				
US Army Publicantion Directorate (APD) site?				
http://www.apd.army.mil/				
(1) AR 25-1				
(2) AR 145-1				
(3) AR 600-20				
(4) AR 601-2				
(5) AR 635-200				
(6) AR 601-208				
(7) AR 601-210				
(8) AR 40-501				
b) Does the BDE have access to Cadet Command Right				
Site and do they demonstrate ability to navigate the site?				
(1) Access CC Regs, Pamphlets, Circulars				
(2) Access MOI/SOP/Policy Letters				
c) Does the BDE have access to and the ability to navigate				
through the Enterprise Portal?				
(1) Access to and demonstrate how to log on to ROO Zone?				
(1) Access to and demonstrate now to log on to ROO Zone?				
(2) Access and log onto Blackboard?				
(3) Access the ADC warehouse and demonstrate use of the				
site?				
(4) Access Report Management Zone (RMZ) and access				
reports?				
(5) Access and open the Weekly Blast				
(6) Access and navigation of PaYS site				
(7) EMM				
d) Does the BDE have access to and can demonstrate how				
to navigate CCIMS?				
(1) Access Scholarship Processing Module				
(2) Access Student Management Module				
(3) Access Mission Set Management Report				
(4) Directory Module				
(5) Training Module				
e) Other sites and applications				
(1) Is the BDE proficient in accessing and navigating the				
National Guard Bureau Publication site?				
http://www.ngbpdc.ngb.army.mil/				
(2) LTC Web Page				
2. Mission Status	Yes	No	NA	Remarks:
a) Overall Missions.				
(2) Did the brigade achieve its line and nurse contract				
mission(s) for the current mission set?				
a. Mission Set + 1				
b. Mission Set + 2				
c. IAW the current REAP and Mission Set + 3				
d. IAW the current REAP and Mission Set + 4				
(2) Did the BDE achieve or is it expected to achieve				
commission mission (line and nurse) for the current mission set?				
commission mission (time and nurse) for the current mission set?				
a. Mission Set + 1				
b. Mission Set + 2				
b. Mission Set + 2				
(3) Have enough prospects, as indicated in ROO Zone and				
CCIMS, been identified to achieve contract mission for outlying				
mission sets (current mission sets +2 and +3)? (Current APR				
mission guidance and REAP goals.)				
mission guidance and NEAF guais.)				
b) Targeted Missions/Goals				
(1) Does the BDE ROTC Cohort diversity represent at a				
level equal to or exceeding the school populations?				
(2) Did/will the BDE make the AR/ARNG mission goals				
for the current mission set if applicable?				
a. Mission Set + 1				
b. Mission Set + 2				

(3) Does the ROTC Cohort have current Cadet Command				
goal according to FY mission letter of ADM 2-4 (STEM)				
contracted Cadets?				
c) MSMR				
(1) Is the BDE monitoring/maintaining BN's monthly				
MSMR report on file?				
3. Scholarship Management.	Yes	No	NA	
a) Does the BDE ROO ensure the Battalions update CCIMS				
lirectory module with current information?				
b) Does the brigade cross-level scholarships? (CCR 145-1,				
para 1-4 c.(1))				
Described and a second of the first declaration of the second of the sec				
c) Does the brigade manage scholarship funds by properly obligating all resources while ensuring that the amount budgeted				
s not exceeded? (CCR 145-1, para 1-4 c.(4))				
d) Did the brigade (properly delete) prioritize adjustment pool				
offers? (CCP 145-1, para 2-1 g(4)(h).)				
e) Does the brigade review battalion USAREC referral				
mission objectives, strategies, and plans as part of assistance				
visits, and oversee the achievement requirement as part of the				
MSMR? (CCR 145-16)				
f) Does the brigade conduct spot checks of CCIMS database				
entries during scheduled command visits to battalions? CCR 145-				
16, para 6-2c)				
g) Does the BDE S2 use the OML to process scholarship				
offers.				
4. Recruiting and Retention (R&R) Activities.	Yes	No	NA	
a) General.				
(1) Have the brigade ROO and brigade Nurse Counselor				
attended, or are scheduled to attend, the resident SOCC ROO				
Course and is the Memorandum For Record of completed training				
on file? (MOI Cadet Command's ROO Development Plan, 24				
Feb 04)				
(2) Have the brigade ROO and brigade Nurse Counselor				
been counseled on his/her duties within 30 days of the rating				
period? (AR 623-105, para 2-11b)				
(3) Does the brigade have a systematic approach to ensure				
attendance of all battalion ROOs, brigade ROOs and brigade				
Nurse Counselors to the resident ROO Course (within 60-180				
lays of arrival) and inspect for completion during OIP visits?				
(4) Has the BDE developed a recruiting SOP?				
b) Recruiting Multipliers				
(1) Partnership for Youth Success (PaYS)				
a. Does the Brigade ensure that the battalions actively				
ncorporate the ROTC PaYS Program into recruiting and				
marketing campaigns? (CCP 601-33, Chapter 3, section 3-1)				
h Door the unit actively offer the DOTG B-VG				
b. Does the unit actively offer the ROTC PaYS Program to each eligible applicant, GRFD Cadets and Cadets				
nvoluntary assessed into the RC? (CCP 601-33, Chapter 3,				
section 3-1)				
c. What is the percentage of the BNs eligible Cadets				
hat have executed a statement of understanding (SOU) with				
PaYS.				
d. Does the BDE ensure that the BNs actively solicit				
a. Does the BDE ensure that the BNs actively solicit barticipation in the PaYS program from employers within their				
AOR?				
e. Are PaYS Partners within the unit's footprint				
engaged to support recruiting efforts? (CC Pam 601-33, Chapter				
engaged to support recruiting errorts? (CC Pam 601-33, Chapter 8, Section 3-3)				
(2) Employer Partnership of the Armed Forces (EPAF) -				
(2) Employer Partnersnip of the Armea Forces (EPAF) - www.employerpartnership.org				
a. Does the BDE actively incorporate the EPAF into				
	1			
ecruiting and marketing activities?				

(3) Social Media (DA Social Media SOP dated 1 Nov 2010 Included in the US Army's Social Media Handbook dated Jan 2011)				
a. Does the BDE monitor BNs Facebook Pages? b. Do the facebook pages include Commander's approved names and logos? (Para 5b)				
c. Do the facebook pages include a statement that it is the Organizations "official" facebook page? (Para 5d)				
d. Do the facebook pages include "Posting Guidelines" under the "Info Tab"? (Para 5f)				
e. Do the facebook pages include recent and up-to-date posts (Not older than 1 month since last post) (Para 5g)				
f. Does all social media presence adhere to the standard policies outlined in the DA memo (Facebook, Twitter, YouTube, Flickr, etc.)				
c) Leads/Referrals Management. (CG and DCG Policy Letters)				
(1) Does the unit use ROO Zone as its leads management system?				
(2) Is the contact history updated in ROO Zone as leads are contacted or attempted to be contacted?				
(3) Are Hot Leads, other leads and referrals sent to ROO Zone contacted or attempted to be contacted within 72 hours of receipt (96 hours on four day weekends).				
(4) Are leads not enrolled in college with no plans of enrolling in college who otherwise appear to be qualified for military service referred to USAREC via ROO Zone?				
(5) Does the BDE monitor the School Criteria Report in RMZ to ensure that battalions enter/update school enrollment criteria for all host and partnerships programs in ROO Zone each year?				
(6) Did the BDE ROO ensure the BN's utilized ROO Zone to create their advertising and local purchase budget				
requirements?  (7) Are leads tracked in ROO Zone by lead source and				
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely				
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?	Vac	No	NA.	Pamarka
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6)	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6 d.(2))  (2) Has the brigade appointed a Green to Gold representative for their assigned Army installation? (CCR 145-6, para 1-6 d.(1))  (3) Has the brigade developed a program at each Army installation to locate Soldiers with SAL attributes and provide them information? Are referrals received from the installation retention office, installation chain of command, and Army	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6 d.(2))  (2) Has the brigade appointed a Green to Gold representative for their assigned Army installation? (CCR 145-6, para 1-6 d. (1))  (3) Has the brigade developed a program at each Army installation to locate Soldiers with SAL attributes and provide them information? Are referrals received from the installation	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6 d.(2))  (2) Has the brigade appointed a Green to Gold representative for their assigned Army installation? (CCR 145-6, para 1-6 d. (1))  (3) Has the brigade developed a program at each Army installation to locate Soldiers with SAL attributes and provide them information? Are referrals received from the installation retention office, installation chain of command, and Army Education Center? (CCR 145-6, para 1-6 d. (3))  (4) Are potentially qualified Soldiers referred to the ROTC	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6 d.(2))  (2) Has the brigade appointed a Green to Gold representative for their assigned Army installation? (CCR 145-6, para 1-6 d. (1))  (3) Has the brigade developed a program at each Army installation to locate Soldiers with SAL attributes and provide them information? Are referrals received from the installation retention office, installation chain of command, and Army Education Center? (CCR 145-6, para 1-6 d. (3))  (4) Are potentially qualified Soldiers referred to the ROTC battalion directly? (CCR 145-6, para 1-6 d. (4))  (5) Has the brigade developed a targeted, SAL list from various sources, such as the Army Education Center, MGIB	Yes	No	NA	Remarks:
requirements?  (7) Are leads tracked in ROO Zone by lead source and campaign?  (8) Are leads that are collected by the BDE entered into ROO Zone and referred to the appropriate school in a timely manner?  5. Green to Gold. (CCR 145-6)  a) Does the brigade update HQCC with changes to counterpart battalion assignments (CCR 145-6)  b) Below applies to brigade headquarters assigned as counterparts only:  (1) Does the brigade have a Memorandum of Agreement with the Installation Commander on file? (CCR 145-6, para 1-6 d.(2))  (2) Has the brigade appointed a Green to Gold representative for their assigned Army installation? (CCR 145-6, para 1-6 d. (1))  (3) Has the brigade developed a program at each Army installation to locate Soldiers with SAL attributes and provide them information? Are referrals received from the installation retention office, installation chain of command, and Army Education Center? (CCR 145-6, para 1-6 d. (3))  (4) Are potentially qualified Soldiers referred to the ROTC battalion directly? (CCR 145-6, para 1-6 d. (4))  (5) Has the brigade developed a targeted, SAL list from various sources, such as the Army Education Center, MGIB participants list and unit commanders? (CCR 145-6, para 3-3)	Yes	No	NA	Remarks:

6. Recruiting Coordination: Brigade Partnership Program (BPP) - USAAC OPORD 10-016 28 March 2010	Yes	No	NA	Remarks:
a) Has the brigade established an active relationship with USAREC brigades and BN within the Partnership Zone?				
b) Has the brigade ensured each battalion provided a one-year calendar of advertising, marketing and recruiting events to the local USAREC battalion and company?				
c) Has the brigade conducted joint recruiting operations with USAREC brigades to simultaneously offer more Army opportunities in a single engagement? Maximize synergy and				
efforts to break into hard to enter places/markets of opportunity (i.e. schools, communities)?				
d) Does the brigade facilitate the referral of qualified disenrolling Cadets and other students to the closest USAREC recruiter via ROO Zone?				
e) Does the brigade ensure the battalions display USAREC RPIs in the ROTC battalion and/or campus common areas?				
f) If assigned, do the brigades monitor on-campus USAREC recruiter's that are assigned to the battalions are provided				
appropriate office space and that they are actively assisting with increasing SMP enrollment of prospects and Cadets?				
g) Do brigade nurse counselors and USAREC Health Care Recruiters exchange information on scheduled conventions, career days, and job fairs?				
h) Has the brigade provided representation at Army Reserve BN and BDE Partnership Zone conferences?(Formaly RPC)				
7. Leaders Training Course. (CCR 145-5)	Yes	No	NA	Remarks:
a) Does the brigade adjudicate recommended LTC allocations with battalions, track battalion cycle slotting, and track graduation to contract rates? (CCR 145-16)				
b) Does the BDE ensure that Cadets who were signing part II of DA Form 597-3 (Scholarship) applications were entered in CCIMS prior to entry into the LTC Training Module?				
c) What percentage of LTC Cadets contracted NLT 15 Dec (of the year attended LTC) over the past 3 years?				
8. Recruiting and Enrollment Planning (CCR 145-17)  a) Does the brigade receive, review, and maintain copies of each battalion's REAP annually? (CCR 145-17)	Yes	No	NA	Remarks:
b) Does the brigade coordinate brigade-level workshops/conferences to share best practices, concerns, and changes? (CCR 145-17)				
c) Did the brigade produce and publish annual REAP planning guidance for their battalions according to the timeline established in CCR 145-17?				
d) Does the BDE REAP guidance address the Command's priority shaping campaigns (STEM, Diversity, etc.)?				
e) Did the brigade use ROO Zone to monitor battalion's use of resources and track return on investment through lead source analysis?				
f) Did the brigade review battalion REAPs to ensure all required campaigns were included, as described in CCR 145-17 and goals were identified for both line and nurse by mission set?				
g) Did the brigade ensure battalion REAPs adhere to the required format shown in CCR 145-17?				
h) Did the brigade ensure battalions utilized ROO Zone's recruiting event matrix to create recruiting calendars to support mission shortfalls?				
9. Marketing and Advertising a). COI Program	Yes	No	NA	Remarks:

(1) Does the brigade maintain a relationship with their local USAREC BDEs/BNs and their subordinate USAREC elements to foster synergy, to include sharing resources and referrals via ROO		
Zone?  (2) Is there a plan in place to secure support and actively solicit referrals from key influencers, including regional or state		
counseling associations, LTC and LDAC?		
(a) Educator Visit COIs (to include Nurse Educators)		
(b) AAB COIs, as well as USAREC COI referrals?		
(3) Is there a system in place to ensure that BDE maintains a list of key COIs in the high school market, including state guidance counselor association presidents? (COI database does this)		
(4)Have all BDE S2 & BN ROO personnel received training on the COI Database? Is a representative familiar w/database?		
(5) Has the Brigade been working with USAREC BDE/BN counterpars to link into the existing Grassroot Advisory Board Network?		
(6) Does the Brigade ensure each Battalion maintains a web site and that the BN website is linked to http://www.goarmy.com/rotc?		
(7) Does the Brigade conduct recruiting operations that provide visibility of Army ROTC at key events in the high school market, including scheduling and managing booth presence at college fairs and annual regional guidance counselor or school distric conferences attended by key COIs? (CCR 147-17)		
b) Advertising and Marketing Funds Request Process		
(1) Does the brigade ensure battalions utilize ROO Zone to build battalion REAPs and to project local purchase and contract advertising?		
(2) Does the brigade track battalion REAPs according to CCR 145-17 and forward required advertising budget information to HQ CC G7/9, according to lines/procedures (CCR 145-17)?		
(3) How does Brigade track the total advertising and marketing funds allocation, distribution to BNs and ensure use of funds supports Cadet Command Guidance, Bde guidance and the overall Bde mission? Add Current Branding? (delete whats in blue) Comment G4/8 provides guidance for use of funds.		
c) Accessions Distribution Center (ADC) Support		
(1) Does the Brigade track ADC point usage at BDE and BN level to ensure mutual BN support and/or BDE support when necessary?		
(2) Does BDE ensure list of ADC account holders is kept current and verify BNs do the same?      (3) Does the brigade use only current national PPI & RPI		
materials (ie has not been using/issuing from a stock of outdated items)?  d) Managed Unit Production Account (MUPA)		
(1) Does BDE have a designated MUPA Program Manager & an existing MUPA SOP/TTPs?		
(2) Does BDE have a method to track and manage MUPA allocation and BN MUPA orders, make BNs aware of this resource, ensure all BNs feed MUPA orders through BDE to		
ASB MUPA POC & cc to HQ CC G7/9 POC?  e) Accessions Targeting Board (ATB)		
(1) Does BDE have a designated ATB Program Manager?		
(1) Does DDE have a designated ATD Flogram Wallager?		
(2) Does BDE proactively put out HQ CC-published quarterly ATB targeting guidance, ensure BNs submit timely ATB nominations, verify that nominations support BDE Cdr's Targeting Guidance as determined in BDE QUAD Charts, Quadchart equivalent BN analysis of mission & required targeting, and other applicable guidance?		

(3) Does BDE manage timely (1 month out minimum)			
FORM 111 submission to Mission Support BN from CC BNs,			
coordinate within BDE & within CC if necessary for reallocation			
of assets in case of event cancellation/re-scheduling and other			
contingency events?			
(4) Does the BDE properly enter events into AEMCP/EMM			
f) Cadet Incentive Awards			
(1)Is BDE receiving quarterly Cadet Incentive Awards			
provided by Accessions Support BDE - ie: such items as plaques,			
coinholders, boxes, etc			
(2) Does BDE have a system to track BN allocation and use			
of Cadet Incentive Awards?			
g) Officership Campaign			
(1) Has BDE received the correct allocation of Officership			
Campaign marketing materials (ie: posters/graphics) and what is			
plan for tracking use & employing at BDE & BN level?			
h) National Event Support			
(1) How is BDE managing support to tasked National			
Events, and is timeframe of receipt at BDE vs Suspense adequate			
(ie over 30 days notice) to properly implement $1/3 - 2/3$ planning			
timeframes to BNs? Change to reflect BDE to USACC or omit S3			
function.			
(2) How (delete) is BDE tracking(delete)replace with			
(ensuring) BN &/or BDE attendance at 90/60/30/10 day out IPR			
teleconference calls to ensure proper representation and a good			
planning effort and ensure required support at event?
