**PART I - AGREEMENT OF GRFD NON-SCHOLARSHIP CADET CONTRACTING IN THE SENIOR ROTC PROGRAM**

1. This endorsement becomes a part of the Army Senior Reserve Officers' Training Corps Non-Scholarship Cadet Contract (DA Form 597) between the Cadet and the Professor of Military Science on behalf of the Secretary of the Army.
2. The Secretary of the Army agrees that under present circumstances, my service in the Active Component will not be required upon completion of my degree requirements and successful completion of the Senior Reserve Officers' Training Corps (SROTC). I will instead serve an initial period of active duty for training (ADT), and remain a satisfactory participant in the Reserve Components (RC) for the period specified in Part I of my ROTC Cadet Contract. Applicable laws and regulations will govern my services in the RC.
3. As a GRFD Non-Scholarship Cadet (including Military Junior College Cadets), I agree to the following:
  - a. To participate in the Simultaneous Membership Program (SMP). The PMS will assist me in locating a RC unit within reasonable commuting distance (AR 140-10). If no vacancy is immediately available, I will continue to seek assignment to a RC unit. I will complete all ROTC requirements and a baccalaureate degree.
  - b. I further understand that I will not be commissioned under the provisions of the Early Commissioning Program (ECP) unless I am a graduate of a Military Junior College (MJC).
  - c. If I wish to revoke this GRFD endorsement, I understand that I must submit a USACC Form 204-R (Revocation of the Guaranteed Forces Duty Contract Endorsement) through the PMS at my college or university to HQ, USACC.
  - d. Request for revocation must be approved by a HQ, USACC, representative and submitted with my accession packet. I understand that based upon the needs of the service, HQ, USACC, may not approve my request to revoke this endorsement.

**PART I - AGREEMENT OF GRFD NON-SCHOLARSHIP CADET CONTRACTING IN THE SROTC PROGRAM (Continued)**

e. Should I request to revoke my GRFD endorsement and it is favorably considered, I will be considered for accession into the Active Component by the DA/ROTC Selection Board. I understand that if I have received benefits from the Selected Reserve Montgomery GI Bill (*SR MGIB*), Kicker, federal tuition assistance, or ARNG State tuition assistance programs as an SMP participant and selected for Accession into the Active Component, that I may be subject to recoupment of those benefit payments.

4. Upon completion of the SROTC Program and receipt of a baccalaureate degree, I may be commissioned through the the United States Army Reserve (*USAR*) and assigned to a *USAR* unit or appointed in the Army National Guard (*ARNG*) for assignment to an *ARNG* unit. I will then be obligated to serve an initial period of ADT and perform the remainder of my service obligation in the RC, as governed by applicable laws and regulations (AR 135-91). If assigned to an RC unit, I will attend required drill periods and an annual ADT. I will be required to travel within a 50-mile radius to participate in required drill sessions (AR 140-10).

5. After commissioning and Basic Officer Leadership Course completion, if I am not initially assigned to a RC unit, I will be assigned to the *USAR* Control Group (*AT*) . I understand that while so assigned, I will be subject to mandatory assignment, at any time, to an RC unit. As a member of the *USAR* Control Group (*AT*), I will be liable for a prescribed period of annual ADT (presently not more than 30 days a year).

6. Terms of this agreement may be modified, following either statutory change or a Secretary of the Army determination that the needs of the Army so require.
