## PARADE ETIQUETTE

\* When the band plays the National Anthem, all civilian and military personnel not in uniform should stand and face the American Flag. Ladies render respect by placing the right hand over the heart. Gentlemen do likewise, except when wearing a hat, remove the hat and hold it at the left shoulder with the right hand over the heart. When the American Flag passes during the parade, respect is rendered in the same manner as for the National Anthem. Military stand and salute in the instances outlined above.

\*\* All spectators stand for the Honors, Cadet Cannonade, and the playing of "The Army Song" (words can be found on the back cover).

\*\*\*For indoor Graduations Ceremonies, there will be no cannons fired or pass in review. A drum will be used as a substitute for the cannon.

## The Army Song

The song was originally written by Field Artillery First Lieutenant (later Brigadier General) Edmund L. Gruber, while stationed in the Philippines in 1908 as the "Caisson Song." The original lyrics reflect routine activities in a horse-drawn Field Artillery Battery. The song was transformed into a march by John Philip Sousa in 1917 and renamed "The Field Artillery Song." It was adopted in 1952 as the official song of the Army and re-titled, "The Army Goes Rolling Along." The current lyrics tell the story of our past, our present, and our future.

### “THE ARMY GOES ROLLING ALONG”

INTRO: March along, sing our song, with the Army of the free  
Count the brave, count the true, who have fought to victory  
We're the Army and proud of our name  
We're the Army and proudly proclaim.

VERSE: First to fight for the right,  
And to build the Nation's might,  
And The Army Goes Rolling Along  
Proud of all we have done,  
Fighting till the battle's won,  
And the Army Goes Rolling Along.

REFRAIN: Then it's Hi! Hi! Hey!  
The Army's on its way.  
Count off the cadence loud and strong (TWO! THREE!)  
For where e'er we go,  
You will always know  
That The Army Goes Rolling Along.

# U.S. Army Cadet Command History

The Army Reserve Officers' Training Corps began with President Wilson signing the National Defense Act of 1916. Although military training had been taking place in civilian colleges and universities as early as 1819, the signing of this act brought training under a single, federally-controlled entity: The Reserve Officers' Training Corps (ROTC). Army ROTC is the largest officer-producing organization within the American military, having commissioned more than half a million second lieutenants since its inception.

The U.S. Army Cadet Command was formed in April 1986 with Major General Robert E. Wagner as its first commander. With its headquarters at Fort Monroe, Virginia, Cadet Command assumed responsibility for more than 400 senior Army ROTC units and over 800 Junior ROTC programs. Cadet Command transformed ROTC from a decentralized organization turning out a heterogeneous group of junior officers into a centralized command producing lieutenants of high and uniform quality. An improved command and control apparatus, an intensification and standardization of training, and improvements in leader development produced a transformation of pre-commissioning preparation.

For over 30 years, Cadet Command has produced more than two-thirds of the second lieutenants for the active Army, the Army National Guard, and the U.S. Army Reserve. More than two-thirds of the current active duty Army General Officers were commissioned through ROTC. Army ROTC trained and educated officers bring a hybrid vigor to our officer corps by drawing on the strength and variety of our social fabric. Cadet Command accomplishes this by combining the character building aspects of a diverse, self-disciplined civilian education with tough, centralized leader development training. This process forges a broad-gauged officer who manifests the strength and diversity of the society from which he or she is drawn, as well as the quality of strong officer leadership.

In 2011, the Cadet Command headquarters moved to Fort Knox, Kentucky and was awarded the Army Superior Unit Award for its outstanding accomplishments in educating, training, and commissioning college students to be officers of character. In 2013, the Secretary of the Army approved the consolidation of Cadet Summer Training.

Today, Senior Army ROTC has a total of 274 programs located at colleges and universities throughout the 50 states, the District of Columbia, and Puerto Rico with an enrollment of more than 33,000 Cadets. Currently, there are 1,709 Junior ROTC units and over 300,000 junior Cadets. Junior ROTC has an enormously positive effect on our youth, helping young people from across the socio-economic spectrum. Junior ROTC instills the values of citizenship, national and community service, personal responsibility, and a sense of accomplishment in high school students. Army ROTC is recognized by the American public as a premier leader development program and continues to transform to provide adaptive leaders of commitment and character to the world's greatest Army.

# CADET CREED

I am an Army Cadet.  
Soon I will take an oath  
and become an Army Officer  
committed to defending the values  
which make this Nation great.

Honor is my touchstone.  
I understand mission first  
and people always.

I am the past:  
the spirit of those warriors who have made the final sacrifice.

I am the present:  
the scholar and apprentice Soldier  
enhancing my skills in the science of warfare  
and the art of leadership.

But above all, I am the future:  
the future Warrior leader of the United States Army.  
May God give me the compassion and judgment to lead  
and the gallantry in battle to win.

I will do my duty.
