MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Cadet Summer Training (CST25) Policy Memorandum 15 - Cadet Cell Phone Usage

1. Reference. Army Regulation 600-20, Army Command Policy, 24 July 2020.
2. Purpose. To outline authorized cell phone usage.
3. Cell phone usage by Cadets is **only authorized** in the designated garrison area and during periods that the cadet is considered "off duty." The garrison area consists of the Disney Training Complex footprint. Cadets are "off duty" when they have completed all scheduled training for the day.
4. **No cell phone use in any training areas**, including areas in or around the barracks area by Cadets. Cadets will secure all mobile communication devices during Land Navigation training and the entirety of the Field Training Exercise. Cadets will secure their equipment with a sealable storage container. Platoon Training Officers (PTO) will inspect all sealed containers daily. Any Cadet found to have broken the seal on their storage container will be subject to administrative action, to include dismissal from camp due to honor violation. PTOs are the approval authority for any emergency for cell phone use outside of the garrison area.
5. No Cadet will use their mobile devices to take photos or videos while in the training environment.
6. Cadets accept responsibility for securing personal cell phones when not in use. U.S. Army Cadet Command assumes no liability for lost, stolen, or damaged cell phones.
7. Cadets' violation of this policy is a referral to a Leader Development Review Board (LDRB) at the discretion of their Task Force Commander.
8. Point of contact for this memorandum is Mr. Shawn M. Bowers, Deputy G37, at 502-624-6258; or email: [shawn.m.bowers.civ@army.mil](mailto:shawn.m.bowers.civ@army.mil).
