2. Fort Knox will fully comply with the reasonable accommodation requirements of the Rehabilitation Act of 1973, as amended. Under the law, Federal agencies must provide reasonable accommodation to qualified employees or applicants with disabilities, unless to do so would cause undue hardship to the employing or hiring organization.

3. I expect all commanders and management officials to expeditiously process requests for reasonable accommodation made by employees and applicants for employment. Managers are required to engage in an "interactive process" with the individual to determine whether an accommodation is appropriate. For personnel at Fort Knox,
